

Summer has the **most** daylight hours.

Winter has the **fewest** daylight hours.

January
February
March
April
May
June
July
August
September
October
November
December

spring			summer		
March	April	May	June	July	August
autumn			winter		
September	October	November	December	January	February

Types of enquiry I will use				
Comparative/Fair test	Research	Observation over time	Pattern seeking	Identifying and Classifying

Sticky Knowledge

- To know the name of the four seasons; spring, summer, autumn and winter.
- To know that it is unsafe to look directly at the Sun.
- To know the weather associated with four seasons and how it changes in the UK.
- To understand that day length varies across the four seasons, with fewer daylight hours in the winter and more in the summer.

Vocabulary words I know

deciduous tree	evergreen tree	pictogram	predict	record
season	sunrise	sunset	symbol	temperature
thermometer	weather	data		

● I don't know it
 ● I know what it means
 ● I can use it in a sentence
